

Sustainable Cities Workshop

1:30-4pm Thursday 27 June 2013

Sheffield Cathedral, Domino Hall S1 1HA

A workshop with small group discussions and simple activities, and space for naïve and informed questions. Create and share ideas to shape a more sustainable reality for cities like Sheffield.

How can communities in Sheffield thrive despite austerity?

Thinking differently about energy

Does financial growth prevent local poverty?

Creating a culture of repairing not just recycling...

Ensuring healthy food for everyone in Sheffield

Because ideas create action and change the world

Entry is via Campo Lane, and is free (donations welcome). [Reservations online](#). NB. We are also hosting an "Evening with Rob Hopkins" on the 27 June.
